

A training or presentation session becomes even more flexible with the mobile boards in the VIP range.

They can be placed at the middle of the room. They can be moved around as, when and where needed. And they can be moved out of sight, when they are not being used.

No matter where they are placed, the aluminium profiles on the boards and stands will match the other VIP elements in the room.

## VIP Swivel Boards

Dimensions in mm

Double-sided vitreous enamel steel whiteboard in white for dry marker pens and magnets.

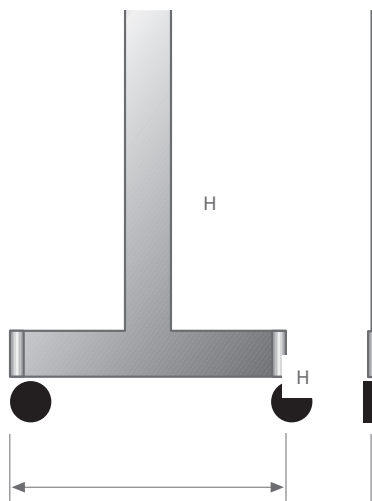

Frames and mobile stand in matt anodised aluminium.

The board is lockable in vertical position with a pawl and has wheels with breaks.

The mobile stand includes a fixed pen holder for 4 dry marker pens.
