At Crowson & Ward we are careful to work with suppliers who manufacture top quality products. Backed up by a first rate service.

Our supplier is committed to the design and manufacturing of wood based furniture such as lecterns, rack cabinets, credenza, audio visual furniture and many other bespoke projects.

Our manufacturers primary emphasis is firmly upon quality. All items are made using the most superior and robust materials available believing that good business practice should be based upon complete customer satisfaction. Secondary to there commitment to quality is there determination to offer the best value within the UK market place which they genuinely endeavour to achieve.
