LARGE ENOUGH TO COPE, SMALL ENOUGH TO CARE

SATURN

RRP 2011

Saturn

Saturn is an executive range, which has a warm rich look and natural feel allowing its desks and storage to complement your working environment and create a lasting impression.

All Saturn products are produced with metal to metal fixings ensuring a prolonged life span of the furniture.

All Saturn desking offers

- All desks are available with either a panel, system or contract cantilever leg end
- 25mm tops, ends and modesty's with 3mm radius edging for protection
- Two iron grey cable ports in the corners
- Full metal under frame
- Metal corner leg for stability (crescent only)
- Adjustable feet as standard
- Cable management within the modesty

System pedestals offer

- 35kg loading on drawers fitted with full extension soft ball runners
- 25mm tops, sides and drawer fronts
- Height adjustable feet as standard
- Silver finish bow handles as standard
- Central locking with 2 keys
- Four sided drawer carcass in complementing woodgrain effect and co-ordinating drawer base

Contract pedestals offer

- 25kg loading on drawers fitted with soft ball runners
- 18mm sides and drawer fronts
- 25mm top on desk high
- Height adjustable feet as standard
- Side pull opening
- Central locking with 2 keys
- Handle options available (see page 100)

Meeting points offer

- 25mm top with 3mm edging
- Fit to panel, system or contract desks
- Creates additional workspace

Link units offer

- 25mm top with 3mm edging
- Three cable ports on the quad link units and one cable port on the 90 degree link unit
- All link units are available with either a panel, system or contract cantilever leg end
- Cable management in the modesty panel
- Metal corner leg for stability (quad only)
- Creates additional workspace
